

PACIFIC PRODUCE

Seasonal Product- Green Garlic

NEWS ALERTS

- ❖ **Celery** prices are extreme this week. Market is strong and supplies are tight. Expect some quality issues due to bad weather affecting the crops.
- ❖ **Lime** prices have continued to rise this week. Just as last year, we are expecting prices remain high passed 5 de Mayo.
- ❖ **Brussel Sprouts** prices have increased this week. Product is now coming from Mexico and the dessert.
- ❖ **Asparagus** We are still sourcing Mexican product as a more cost-effective option this week. We are expecting to see the first of the Delta grass next week.
- ❖ **Chinese Garlic** continues to be limited. We recommend using #1 California product instead. Call your sales representative for more information.

PRODUCE SPOTLIGHT

Stringing Nettles: The beginning of the Spring has brought back these green beauties back to the market. Use them in a garlicky nettle pesto, a spring lasagna or a nettle soup.

Spring Onions: Another classic of the season. Call your Sales Representative to double-check availability.

Good Buys

Zucchini

Yellow Squash

Eggplant
