About Us

Pacific Produce is a wholesale distributor of fresh fruits and vegetables to Bay Area restaurants, caterers, coffee shops, museums, assisted living and non-profit organizations. Pacific Produce has tripled in size over the past several years and has taken possession of a 50,000 square foot, state of the art facility in South San Francisco.

We are a privately-held, woman-owned company.

Our mission is to offer produce that fosters the skill and creativity of Bay Area chefs so that they can delight their patrons. We use our business expertise and backgrounds in procurement, distribution and warehouse management to optimize our customers' delivery experience.
